What a sanctioning covers

First and second Open, one Pee Wee, one Youth and one Senior class. PEWC suggests a 4D Open at a half-second split, 3D Youth, 3D Pee Wee and 2D Senior. The format is yours to set.

What you are agreeing to

1. The traditional timed cloverleaf pattern with three barrels, no variations.
2. Results reach proeliteworldchallenge@gmail.com within seven days of the show finishing, every time.
3. Results are sent in the PEWC results sheet, free to download from the Rules and forms page. Photos and screenshots cannot be matched to member numbers, so they are not accepted.
4. PEWC memberships are offered at your show, and the forms reach the office within seven days. Riders can also join online.
5. Professional conduct. Unsportsmanlike behavior or outside grievances can cost you sanctioning in future years.
