

PEWC Member Only Sidepot Application 2026

Each year PEWC selects a handful of producers to host a **PEWC MEMBERS ONLY** sidepot at their events. In 2025 PEWC sponsored 16 sidepots in MN, SD, ND, WI and IL. We hope to renew many of the shows and expand as funding allows. Funding is limited and will be awarded on a first come-first served basis if your event is chosen via application. Amounts per state is based on numbers of members in each area. Additional shows will be approved throughout the year as membership grows. Applications will be reviewed upon completion and we will be in touch should it be an accepted event. Thank you for supporting the PEWC! We appreciate all producers! Please read rules carefully.

Rules:

- 1) One sidepot/show. The producer can choose which day if it is a multi-day show.
- 2) 100% of added money must be paid out. The producer determines the entry fee and payout percentage on a 4D basis. Time split can be determined by the producer. We recommend a 75% payout on the sidepot.
- 3) Producers get to keep the income from the sidepots. In exchange, the PEWC hopes to gain memberships from the event.
- 4) Sidepot added money varies from \$250 to \$1,000 depending upon the event and PEWC available budget.
- 5) PEWC memberships must be offered at the show and mailed to PEWC within 7 days of the show. Riders can also be directed to get their online memberships at www.proeliteworldchallenge.com.
- 6) PEWC sanctioning is required for the Open class tied to the sidepot. The Open class must have a minimum of \$1000 added. To optimize value to our members, producers are requested to sanction all days if a multi-day event.
- 7) Show results must be send in PEWC recommended excel format to proeliteworldchallenge@gmail.com within 7 days of the show.
- 8) PEWC logo must be on flyers and the sidepot adequately advertised.
